## THE ABC OF AUSTRALIA

Don Spencer/Allan Caswell

Published by MCA-Gilbey

There's Armidale and Adelaide,  
Boggabri and Broome,  
Collarenebri and Campbelltown,  
Darwin and Duntroon,  
Eagle Farm and Eastwood,  
Faulconbridge and Flynn,  
Geraldton and Gladstone,  
I'll try to fit them in.

### *Chorus*

**It's the ABC of Australia,  
Let's go through the alphabet.  
It's the ABC of Australia,  
And I haven't finished yet.**

There's Hawks Nest and Hobart,  
And Indooroopilly,  
Jindalee and Jindabyne,  
And though it sounds silly,  
There's Kariong and Kurrajong,  
Long Flat and Longreach,  
There's a Lawson and a Mawson,  
North Kew and North Beach.

### *Chorus*

There's Oxley, O'Connor,  
Port Pirie and Port Lincoln,  
Quakers Hill and Queenscliff,  
(And this took some thinking!)  
There's Redhill and Redfern,  
St Ives and St Albans,  
And I can't forget Tamworth -  
The town I was born in.

**THE ABC OF AUSTRALIA**

*Chorus*

There's Umina, Ulladulla,  
And Valencia Creek.  
I could go through the W's,  
But it might take a week!  
There are places so tiny  
That X marks the spot.  
Yarrawonga and Zetland,  
And that's about the lot.

*Chorus x 2*

**No, I haven't finished yet.**

(oh- yes I have...)
