## ALICE SPRINGS

Don Spencer

Published by Mushroom

I've got a friend,  
I'd like you to meet.  
My friend's a kookaburra,  
I met her hopping down the street.  
Because she cannot fly,  
She's different from the rest,  
But of all the kookaburras,  
I like her the best.

I call her Alice,  
Alice doesn't fly.  
I call her Alice,  
And here's the reason why.  
Alice cannot fly,  
Because she broke her wings,  
She hops and springs about,  
I call her Alice Springs.

*Alice Springs, (Alice Springs)*  
Springs up and down. *(up and down)*  
You don't need wings, *(oh no)*  
To get around. *(to get around)*  
She's just as happy  
On the ground.  
And when she sings, *(when she sings)*  
It's a laughing sound.

*Alice, (Alice)*  
*Alice Springs. (Alice Springs)*  
*Alice, (Alice)*  
Everyone loves Alice Springs.  
*Alice, (Alice)*  
*Alice Springs. (Alice Springs)*  
*Alice, (Alice)*

Everyone loves Alice,  
Everyone loves Alice,  
Everyone loves Alice Springs.
