## **AUSSIE BOYS and AUSSIE GIRLS**

Don Spencer/Allan Caswell

Published by MCA-Gilbey

Hello, my name's Antonio, but you can call me Tony.  
My parents are Italian, they come from Napoli.  
Hello, my name's Marika, my family is Greek.  
But I've lived in Australia, since I was only three.  
Hello, my name is Seamus, my ancestors were Irish,  
But they've been in Australia, about two hundred years.  
Hello, my name is Caroline,  
And ever since the dreamtime,  
My people have lived right here.

### *Chorus*

**We're Aussie boys and Aussie girls,  
We're happy in our little corner of the world.  
Let's get together and make a little noise,  
'Cos we're Aussie girls and Aussie boys.**

Hello my name is Jenny, I live here in Kalgoorlie,  
My Dad's an electrician - he works down at the mine.  
I'm Bill and I'm from Brisbane, and I'm pretty good at cricket.  
I want to play for Queensland, so I practise all the time.  
I'm Trish, and I'm from Tassie, my parents own an orchard,  
The apples that they grow are sold around the world.  
But it doesn't matter where we're from,  
We can all join in this song -  
We're all Aussie boys and girls.

### *Chorus x 3*
