BOOMERANG

Don Spencer/Allan Caswell

Published by MCA-Gilbey

Everybody say G'day! (*G'day!*)
Everybody clap your hands.
I'm going to show you the way,
To do the boomerang.
You put your hand in the air,
Take it back real slow.
Now you turn to the side,
Now you're getting ready to throw...

Chorus

**You do the boom, boom, boom, boom, boom,
You do the boomerang.
You do the boom, boom, boom, boom, boom,
You do the boomerang.
You do the boom, boom, boom, boom, boom,
You do the boomerang.
You do the boom, boom, boom, boom, boom,
You do the boomerang.**

Everybody say G'day! (*G'day!*)
Everybody clap your hands.
I'm going to show you the way,
To do the boomerang.
You put your hands in the air,
Wave them to and fro.
You keep waving to the sides now,
We're getting ready to go...

Chorus
