BUSH TUCKER

Don Spencer/Allan Caswell

Published by MCA-Gilbey

There are no shops to buy your food in the bush,
But there's food all around if you know where to look.
You'll need a real bushman to know what to cook.
And they call it bush tucker, bush tucker.

Chorus

**Bush tucker, bush tucker, they say it tastes great.
So pile some more witchetty grubs on your plate.
Stir in some ants, and a nice bit of snake.
Bush tucker, bush tucker, bush tucker.**

There's food in the ground, and there's food on the trees,
There's even some honey fresh from the bees.
And the nice thing about it - bush tucker is free!
And they call it bush tucker, bush tucker.

Chorus

If you're planning to take a trip through the scrub,
I think you should learn about bush tucker grub.
You'll eat anything if you're hungry enough,
Bush tucker, bush tucker, bush tucker.

Chorus x 2
