

Backyard Birdbath

Don Spencer/Allan Caswell

Published by MCA-Gilbey

Birds go berserk in my backyard birdbath,
Backstroke, breaststroke even butterfly.
Big birds, baby birds, brown and brightly coloured ,
My backyard birdbath brings them by.

Chorus

**I love my backyard birdbath,
and all of the pleasure that it brings.**

**I love my backyard birdbath,
And I love it when the birdies sing.**

Birds go berserk in my backyard birdbath,
Backstroke, breaststroke even butterfly.
Big birds, baby birds, brown and brightly coloured ,
My backyard birdbath brings them by.

Chorus

Lovely lorikeets, lazing in the sun,
Magpies and mynas having lots of fun.
Sparrows swimming and splashing everyone,
Kookaburra cackling in the old grey gum.

Birds go berserk in my backyard birdbath,
Backstroke, breaststroke even butterfly.
Big birds, baby birds, brown and brightly coloured ,
My backyard birdbath brings them by.

Chorus

Birds go berserk in my backyard birdbath,
Backyard birdbath brings them by.
