CLAP YOUR HANDS

Don Spencer/Allan Caswell

Published by MCA-Gilbey

Chorus

Clap your hands.

Stamp your feet.

You can give the band a hand by following the beat.

Clap your hands.

Stamp your feet.

You can give the band a hand by following the beat.

If you have an ambition,
To be a fine musician,
But you can't find the position
For your fingers on the keys.
And if you can't play the fiddle,
Why don't you try to yodel?
(yodel-odel-ay-he-too)
Find something to bang or bash,
And play along with me.

Chorus

Your hands are there for clapping,
Toes are meant for tapping,
Fingers are for snapping,
So won't you lend a hand?
Music is for playing,
And yodelodelaying.
(yodel-odel-ay-he-too)
I need you all to help me,
So join in with the band.

Chorus x 2

You can give the band a hand to make this song complete!
Yodel-odel-ay-he-too!
