COWBOY SONG

Don Spencer/Allan Caswell

Published by MCA-Gilbey

Rounding up cattle, riding along,
Singing my favourite cowboy song,
I'm singing, "Iy-i-yippee, iy-i-yippee iy-yay".
Rounding up the cows and calves and steers,
With the sound of my song ringing in their ears,
Singing "Iy-i-yippee, iy-i-yippee iy-yay".

Chorus

**Singing "Iy-i-yippee" (*Iy-i-yippee*),
Singing "Iy-i-yippee" (*Iy-i-yippee*),
Singing "Iy-i-yippee, iy-i-yippee, iy-yay".**

We'll stop for lunch by a billabong,
And sit around singing our favourite song.
Singing "Iy-i-yippee, iy-i-yippee iy-yay".
The billy tea is hot and strong,
We'll take another sip and then we'll sing along,
Singing "Iy-i-yippee, iy-i-yippee iy-yay".

Chorus

COWBOY SONG

I've got a horse of course, and his name is Flash.
There's not another horse who's as smart as that.
I sleep on the ground, underneath the stars,
And I've always liked horses better than cars.

Rounding up cattle, riding along,
Singing my favourite cowboy song,
Singing "Iy-i-yippee, iy-i-yippee, iy-yay".
With Bob the Kelpie tagging along,
That dog'd do anything to get in a song!
Singing "Iy-i-yippee, iy-i-yippee, iy-yay".

Chorus x 2
