DIDGERIDOO

Don Spencer/Allan Caswell

Published by MCA-Gilbey

Chorus

**Didgeri, didgeri, didgeridoo.
Listen to the song of the didgeridoo.
The land is red, the sky is blue,
The sound of Australia is the didgeridoo.**

There's magic in the song they sang
From the heart of the land of the boomerang.
The snake, the goanna and the kangaroo -
Are all in the song of the didgeridoo.

Chorus

From mothers and fathers to daughters and sons
The legends of the dream time lives on.
Borne on the wings of the winds that blew -
And echoed in the song of the didgeridoo.

Chorus x 3
