EVERYBODY SWIM, SWIM, SWIM

Don Spencer

Published by Mushroom

I'm a platypus, a platypus.
An extra special animal as you can see.
I'm a platypus - I'm from the bush!
There's not another animal in the world like me.
And because you're very nice,
I'll give you some advice.
I want you to swim like me.
Swimming is such fun,
So learn it while you're young.
Come and follow me.

Chorus x 2

Everybody swim, swim, swim.
Everybody swim, swim, swim.
Everybody swim.
Everybody swim.
Everybody swim, swim, swim.

I'm a platypus, a platypus.
An extra special animal as you can see.
I'm a platypus - I'm from the bush!
There's not another animal in the world like me.
And because you're very nice,
I'll give you some advice.
I want you to swim like me.
Swimming is such fun,
So learn it while you're young.
Come and follow me.

Chorus x 2
