G'day!

I just want to say - *G'day!*
It's good to be with you today.
Say it after me - *G'day! (G'day!)*
I've got some songs to sing and play,
We're going to have some fun today,
So say it after me - *G'day! (G'day!)*

G'day! (G'day!)

I want to hear you say *G'day! (G'day!)*
In the great Australian way *(G'day!)*
Everybody say *G'day! (G'day!)*

G'day! (G'day!)

Now make it nice and loud - *G'day! (G'day!)*
Now really shout it out - *G'day! (G'day!)*
Everybody say *G'day! (G'day!)*

G'day! (G'day!)

I just want to say - *G'day! (G'day!)*

It's good to be with you today.

Say it after me - *G'day! (G'day!)*

One more time for me... *G'day! (G'day!)*

It's sounding pretty good - *G'day! (G'day!)*

G'day!
