Here's a little dance that you can do,  
With Blinky Bill and Nutsy too.  
It's called the Hand Jive - tap your fists.  
Hand Jive - you move your hands like this.  
Touch your elbows, one at a time,  
Keep on going -you're doing fine.  
It's the Hand Jive - tap your fists.  
Hand Jive - you move your hands like this.

Move your hands all around your face.  
Move them about all over the place.  
It's called the Hand Jive - tap your fists.  
Hand Jive - move your hands like this.  
Point your fingers to the ground,  
Keep on going down, down, down,  
It's the Hand Jive - tap your fists.  
Hand Jive - you move your hands like this.

Hold your nose get ready to swim,  
Here we go - come on - jump in!  
It's the Hand Jive - do the swim.  
Hand Jive - hands out and in.  
Backstroke - do it now.  
Follow me - I'll show you how.  
It's the Hand Jive - tap your fists.  
Hand Jive - move your hands like this.
