HAVE A BEAUT DAY

Don Spencer/Allan Caswell

Published by MCA-Gilbey

You buy a burger and pay,
And somebody will say,
"Have a nice day."

You get some hot chips as well,
And somebody will yell,
"Have a nice day."

Well, I know it's polite, and it sounds sort of nice,
But it doesn't sound Australian to me.
Why don't we say "Have a Beaut day"?
How much better that would be!

Chorus

**So everybody let me hear you say,
"Have a Beaut day!"
Let's all say it in the Aussie way,
"Have a Beaut day!"
"Have a Beaut day!"
"Have a Beaut day!"**

If you happen to meet
A friend in the street
Say "Have a Beaut Day!"
And when they're saying goodbye,
They'll look you straight in the eye
And say "Have a Beaut day!"
It sounds better to me and I hope you'll agree,
That "Have a Beaut day" sounds great!
If we use it all the time, pretty soon we'll find
It'll spread from state to state.

Chorus

HAVE A BEAUT DAY

You buy a burger and pay,
And somebody will say,
"Have a Beaut day!"
You get some hot chips as well,
And somebody will yell,
"Have a Beaut day!"
So why don't you say "Have a Beaut day",
And smile every time that you do.
And if you say it like you mean it, and you mean it when you say it,
They'll say it right back to you.

Chorus
