HENRIETTA THE LITTLE WHITE MOUSE

Don Spencer

Published by Mushroom

My sister Bet has a pet mouse,
She calls it - Henrietta.
If you ask Bet what she thinks about pets,
She'll tell you there's no pet better.

Chorus

**Henrietta, Henrietta - Henrietta the little white mouse.
Henrietta, Henrietta - Henrietta the little white mouse.**

Henrietta the mouse has her own house -
Bet made it out of a slipper.
It's velvet and fur and it's just right for her,
And the doorway once was a zipper.

Chorus

Henrietta the mouse spins around in a wheel,
It's a wonder she doesn't get dizzy!
She twitches her nose and scratches her ears,
She seems to be constantly busy.

Chorus

Henrietta the mouse will run up your sleeve,
And snuggle into your sweater.
She'll sit on your shoulder and nibble your ear,
And stay there all day if you let her.

Chorus x 2
