I'M BLINKY BILL

Don Spencer

Published by MCA-Gilbey

G'day old mate! I'm Blinky Bill - I bet you've heard of me.
I live here in Australia, in a eucalyptus tree.
I've got lots of special friends,
And I'm really glad to say,
They come around to play with me,
Every single day.

**I'm Blinky Bill.
My whole life's a thrill.
I do exactly what I like -
I'm Blinky Bill!**

Hello my name is Nutsy - and I spend half my life
Just running after Blinky, to keep him out of strife!
Sometimes I think that Blinky just doesn't have a clue,
But I'm always there to help him -'cos that's what good friends do.

**He's Blinky Bill.
His whole life's a thrill.
He do exactly what he like -
He's Blinky Bill!**

I am very pleased to meet you all -
You can call me Flap.
I'm a very special platypus,
And a very lovely chap.
Blinky Bill depends on me,
When he wants something done.
And I'm the first to volunteer
To have a bit of fun!
