IT'S A CREATION

Don Spencer

Published by MCA-Gilbey

This little bit will come in handy,
I think I'll take it with me.
It's sort of heavy but I don't mind,
It'll be useful you see.
Laziness just gets you nowhere,
So I'll finish what I've begun.
I'm going to work just as hard as I can,
Because I'll feel so good when it's done.

Chorus

**'Cause... It's a creation, by nobody else but me.
It's a creation, and I'm proud of it you see.
It's been a struggle, but now I'm feeling fine.
'Cause it's a creation, and it's all mine.**

This little piece will do nicely,
I think I'll put it just there.
It takes patience and planning, you know,
Making something with care.
It's worth the time that it's taking,
I'll make it as good as can be.
I'm going to work just as hard as I can,
'Cause it's very special to me.

Chorus x 2
