## **IT'S A MARSUPIAL**

Don Spencer

Published by MCA-Gilbey

Now if you want to see an amazing family  
of animals that defy reality.

There's the sugar-glider,  
And the kangaroo.  
Don't forget the koala -  
'Cos it's one too.

### *Chorus*

**It's a marsupial.**

**It's a marsupial.**

**The most incredible family in the whole wide world.**

**It's a marsupial. It's a marsupial.**

**It's another super-doooper marsupial.**

All marsupials, as soon as they are born,  
Climb inside their mother's pouch,  
To keep them safe and warm.  
They stay there 'til they grow big enough to go,  
So if anyone ever asks you - now you know!

### *Chorus x 2*

Some marsupials glide as easy as can be.  
The sugar-glider floats on air, as you can see.  
And the possum family lives high above the ground  
Hanging on to mother's tail,  
Keeps them safe and sound.

### *Chorus x 2*

**M-A-R-S-U-P-I-A-L.**

**It's another super-doooper marsupial.**
