I'VE GOT THE PET SHOP BLUES

Don Spencer/Terry Murray

Published by Mushroom

I've got the pet shop blues and I'm shaking in my shoes.
I've got the pet shop blues 'cos I don't know what to choose.

Chorus

**I want the budgie, the canary, the Galah, the cockatoo,
The ferret and the goldfish and the axolotl too.
I want the puppies and the kittens and the rabbit and the mouse,
I want to have them all living with me in my house.**

I've got the pet shop blues 'cos I don't know what to choose.
I've got the pet shop blues - I'm really so confused.

I've got the pet shop blues, I like everything I see.
I've got the pet shop blues - I want to take them home with me.

Chorus

I've got the pet shop blues. I don't know what to choose.
I've got the pet shop blues - I'm really so confused.

I've got the pet shop blues, and I'm shaking in my shoes,
I've got the pet shop blues, 'cos I don't know what to choose.

Chorus

I've got the pet shop blues, 'cos I really want the lot.
I've got the pet shop blues - I think I'll live here in the shop!
