I LOVE TO DANCE

Don Spencer

Published by Mushroom

I'm Kelly Koala, and I love to dance -

I really love ballet.

I'm Kelly Koala, and I love the chance,

To dance the night away.

Chorus

Round, and around, and around watch me go.

Spinning round, and around on my tippy, tip, tiptoes.

I leap in the air, in a beautiful pose.

I really love to dance!

I love to dance!

I'm Kelly Koala, and I dance with style -

I move so gracefully.

I'm Kelly Koala, it makes me smile

To dance so beautifully.

Chorus

Everyone says that I dance like a dream!

Everyone says I'm the best that they've seen!

That's why they call me the koala dancing queen!

I love to dance. I love to dance.

I'm Kelly Koala - I love to dance -

I really love to move!

I'm Kelly Koala - I love Rock'n' Roll!

I love to get in the groove!

I LOVE TO DANCE

Chorus

Everyone says that I dance like a dream!
Everyone says I'm the best that they've seen!
That's why they call me the koala dancing queen!
I really love to dance. I love to dance.
I love to dance. I love to dance.
